<b>Science (Cambridge Curriculum)</b>	<b>3B Unit 3.6 Keeping Healthy</b> <ul style="list-style-type: none"> <li>• Explore and research exercise and the adequate, varied diet needed to keep healthy.</li> <li>• Know that some foods can be damaging to health, e.g. very sweet and fatty foods.</li> </ul>	<b>3A Unit 3.5 The Senses</b> <ul style="list-style-type: none"> <li>• Explore human senses and the ways we use them to learn about our world.</li> <li>• Sort living things into groups, using simple features and describe rationale for groupings.</li> </ul>	<b>1B Unit 3.2 Materials</b> <ul style="list-style-type: none"> <li>• Know that every material has specific properties, e.g. hard, soft, shiny.</li> <li>• Sort materials according to their properties.</li> <li>• Explore how some materials are magnetic but many are not.</li> <li>• Discuss why materials are chosen for specific purposes on the basis of their properties.</li> </ul>	<b>2B Unit 3.4 Introduction to Forces</b> <ul style="list-style-type: none"> <li>• Know that pushes and pulls are examples of forces and that they can be measured with force meters.</li> <li>• Explore how forces can make objects start or stop moving.</li> <li>• Explore how forces can change the shape of objects.</li> <li>• Explore how forces, including friction, can make objects move faster or slower or change direction.</li> </ul>	<b>2A Unit 3.3 Flowering Plants</b> <ul style="list-style-type: none"> <li>• Know that plants have roots, leaves, stems and flowers.</li> <li>• Explain observations that plants need water and light to grow.</li> <li>• Know that water is taken in through the roots and transported through the stem.</li> <li>• Know that plants need healthy roots, leaves and stems to grow well.</li> <li>• Know that plant growth is affected by temperature</li> </ul>	<b>1A Unit 3.1 Life Processes</b> <ul style="list-style-type: none"> <li>• Know life processes common to humans and animals include nutrition (water and food), movement, growth and reproduction.</li> <li>• Describe differences between living and nonliving things using knowledge of life processes.</li> </ul>
---	--	--	--	---	--	--

<p><b>History</b></p> <p><b>National Curriculum(NC)</b></p>	<p>I can obtain evidence and examine artefacts and explain how they can be used to provide information about the past.</p> <p>I can place events, people and changes in chronological order.</p> <p>I can explain the impact the Roman Empire had on modern civilisation</p>	<p>I can research significant people in history</p> <p>I can discuss significant inventions and their impact on modern life</p> <p>I can place inventions in chronological order</p>	
<p><b>Geography (NC)</b></p>	<p>Use a map to locate and name provinces, cities, towns and features of European countries using different map formats.</p> <p>Locate Italy and Rome. Understand the landscape/climate.</p>		<p>I can locate and name the seven continents using different map formats and a globe.</p> <p>I can use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.</p> <p>I can describe physical geography, including: climate zones, rivers, mountains, volcanoes and earthquakes, and the water.</p> <p>I know about habitats in different settings (oceans, savannahs, rainforests).</p> <p>I know that habitats are changing due to climate change and human activities.</p> <p>I know about the effect that humans are having on habitats and the wildlife that depend on them.</p>

<p><b>D&amp;T (NC)</b></p>	<p>Pupils will design and make a Roman shield. They will experiment with using different materials in the making of their shields and they will evaluate their design so as to improve it.</p>	<p>Pupils will invent something, design it and make a prototype of it using junk modelling.</p> <p>Pupils will then evaluate their work and suggest improvements.</p>	<p>Pupils will make a paintbrush out of natural materials and use it to create artwork</p> <p>Pupils will design and make a bird feeder</p> <p>Pupils will design and build a 'Bug Hotel' using natural materials</p>
<p><b>Art (NC)</b></p>	<p>Pupils will create sketchings of the Roman soldiers and characters from myths and legends.</p> <p>Pupils will focus on line, shading and the understanding of soft and hard leads to create the desired effect.</p>	<p>Pupils will design and create an imaginary country. Within this project they will use a range of mediums and be able to:</p> <ul style="list-style-type: none"> <li>• Paint a flag for their imaginary country</li> <li>• Use pastels to draw animals for their imaginary country.</li> <li>• Use collage to create landscapes for their imaginary country.</li> <li>• Explain the advantages and suitability of each medium.</li> </ul>	<p>Pupils will create leaf rubbings and use these to make a picture</p> <p>Pupils will create a nature collage</p> <p>Pupils will learn about the famous artists and try to emulate their artwork.</p>

<b>Music (NC)</b>	<p>Exploring Descriptive Sounds</p> <p>Pupils will learn:</p> <p>to identify how music can be used descriptively</p> <p>how to use the musical elements to describe animals</p> <p>how to use movement to describe different animals</p> <p>how to match sounds and movement descriptively</p>	<p>Exploring Rhythmic Patterns</p> <p>about rhythmic patterns</p> <p>how rhythms can be described through rhythmic symbols</p> <p>that repeated patterns are often used in music</p> <p>to compose music using rhythmic ostinati based on spoken phrase</p>	<p>Exploring Arrangements</p> <p>about musical accompaniments</p> <p>to explore melodic phrases</p> <p>to explore rhythmic patterns</p> <p>about expressive use of elements about presentation</p>	<p>Exploring Pentatonic Scales</p> <p>about pentatonic scales and how they are used in music</p> <p>how simple tunes can be based on a pentatonic scale</p> <p>how to create different textures using the pentatonic scale</p> <p>how to create a class performance</p>	<p>Exploring Sound Colours</p> <p>that music, like pictures, can describe images and moods</p> <p>how sounds can be combined to make textures</p> <p>how mood and emotion can be illustrated in music</p>	<p>Exploring Singing Games</p> <p>to sing and play a range of singing games</p> <p>that singing games have specific musical characteristics that contribute to their success</p> <p>to clap/tap the pulse and how to create rhythmic ostinati</p> <p>how to make up tunes for their own singing games and add appropriate actions</p>
<b>Computing (NC)</b>	<p>We Are Programmers</p> <p>Create an algorithm for an animated scene in the form of a storyboard.</p> <p>Write a program in Scratch to create an animation.</p>	<p>We Are Bug Fixers</p> <p>Develop a number of strategies for finding errors in programs.</p> <p>Build up resilience and strategies for problem solving.</p> <p>Increase their</p>	<p>We Are Presenters</p> <p>Gain skills in shooting live video, such as framing shots, holding the camera steady and reviewing</p> <p>Edit video including</p>	<p>We Are Network Engineers</p> <p>Understand the physical hardware connections necessary for computer networks to work.</p>	<p>We Are Communicators</p> <p>Develop a basic understanding of how email works.</p> <p>Gain skills in using email.</p> <p>Be aware of broader</p>	<p>We Are Opinion Pollsters</p> <p>Understand some elements of survey design.</p> <p>Understand some ethical and legal aspects of online data</p>

	<p>Correct mistakes in their animation programs.</p>	<p>knowledge and understanding of Scratch.</p> <p>Recognise a number of common types of bugs in software.</p>	<p>adding narration and editing clips by setting in / out points.</p> <p>Understand the qualities of effective video, such as the importance of narrative, consistency, perspective and scene length.</p>	<p>Understand some features of internet protocols.</p> <p>Understand some diagnostic tools for investigating network connections.</p> <p>Develop a basic understanding of how domain names are converted to IP addresses.</p>	<p>issues surrounding email including "netiquette" and e-safety.</p> <p>Work collaboratively with a remote partner.</p> <p>Experience video conferencing.</p>	<p>collection.</p> <p>Use the web to facilitate data collection.</p> <p>Gain skills in using charts to analyse data.</p> <p>Gain skills in interpreting results.</p>
<p><b>PE (NC)</b></p>	<p><b>Tennis and Football</b></p> <p>Play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending.</p>	<p><b>Gymnastics and Basketball</b></p> <p>Perform gymnastic routines using a range of movement and patterns.</p> <p>Develop flexibility, strength, technique, control and balance.</p> <p>Play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending.</p> <p>Use running, jumping, throwing and catching in isolation and in combination.</p>	<p><b>Athletics and Hockey</b></p> <p>Develop flexibility, strength, technique, control and balance.</p> <p>Play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending.</p>			

<p><b>PSHE (SEAL)</b></p>	<p><b>PSHE teaches the children the following skills:</b></p> <ul style="list-style-type: none"> <li>• Self Awareness</li> <li>• Managing Feelings</li> <li>• Empathy</li> <li>• Motivation</li> <li>• Social Skills</li> </ul> <p><b>New Beginnings</b></p> <p><b>* I know how to make someone feel welcomed and valued at school.</b></p> <p><b>* I can predict how I am going to feel in a new situation or meeting new people.</b></p> <p><b><i>* I know what I have to do myself to make the classroom and school a safe and fair place for everyone, and that it is not OK for other people to make it unsafe and unfair.</i></b></p> <p><b><i>* I understand my rights and responsibilities in the</i></b></p>	<p><b>Bullying</b></p> <p>I know who to go to if I am being bullied.</p> <p>I know how to help if someone is being bullied</p> <p>I can give suggestions as how to stop bullying from happening</p>	<p><b>Going for Goals</b></p> <p><b>* I know what I need to learn effectively.</b></p> <p><b>* I can set success criteria so that I know whether I have reached my goal.</b></p> <p><b>* I can break down a goal into a number of steps and wait for the result.</b></p> <p><b>* I know how others can help me to achieve my goals and how I can help others.</b></p> <p><b>* I can tell you how I keep going even when the task is difficult.</b></p> <p><b>* I can identify some barriers to my learning.</b></p> <p><b>* I am able to take responsibility for my actions and learning when the outcomes are positive or negative.</b></p> <p><b>* I can recognise when I have reached my goal or been successful</b></p>	<p><b>Good to be Me</b></p> <p><b>* I can tell you about myself as a learner.</b></p> <p><b>* I know that I am responsible for my own learning and behaviour.</b></p> <p><b>* I can use my strengths as a learner.</b></p> <p><b>* I can tell you the things I am good at.</b></p> <p><b>* I can recognise when I find something difficult and do something about it or cope with how that makes me feel.</b></p>	<p><b>Changes</b></p> <p><b>* I know that what we feel and think affects what we do (how we behave).</b></p> <p><b>* I can tell you why I behave as I do when I am finding a change difficult.</b></p> <p><b>* I know some of the reasons that change can feel uncomfortable and scary.</b></p> <p><b>* I know some ways of dealing with the feelings that sometimes arise from changes.</b></p> <p><b>* I can sometimes understand why other people are behaving as they are when they are finding a change difficult.</b></p> <p><b>* I can tell you how it feels to belong to a group, and know it is important for everyone.</b></p>
