Español	Esta planificación es orientativa y sería la perfecta secuenciación para el aprendizaje de todas las letras, en cada sesión se trabajará la discriminación visual, auditiva, la grafomotricidad de cada letra y la lectura de las letras aprendidas. Solo se mandarán deberes en las semanas de vacaciones y estarán disponibles las fichas en la plataforma de classroom para Español Year 1. Si algún niño necesita apoyo o repaso en alguna ocasión se mandará la correspondiente ficha a través de classroom para que los padres ayuden al niño en casa. En cada sesión vamos a tener la siguiente secuenciación: - Canción de las vocales, canción de la consonante que corresponda. - Introducción de la letra que vamos a aprender ese día y un rápido repaso de las letras aprendidas posteriormente. - Explicación de las fichas que vamos a trabajar ese día. - Trabajamos las fichas. - Leer el libro de lectionautas con 3 niños cada día, mientras los niños terminan las fichas o juegan un rato. - Volvemos a la asamblea todos juntos y repasamos lo que hemos aprendido ese día, palabras que contienen esas letras... Las podemos escribir en la pizarra, dejar que los niños las escriban... En clase vamos a jugar a algunos juegos como buscar las palabras, completar palabras, crear palabras, conciencia fonológica y velocidad lectora, conciencia silábica con palmadas, aprender el gesto de cada letra con el abecedario de gestos...
