

Congratulations to our

Year 13 leavers 2025!

94% pass at A2 with 77% at grade A* - C

83% PCE subject passes

12 out of 14 of our Year 13 students going straight to university this year; one taking a year out first to travel & work and one doing further vocational study

Emelie has gained 4 A levels and 1 AS level in the sixth form with **Business, Computing, Maths and Spanish all at Grade B**. She was also our head lead student and presented the primary talent show.

She will be travelling and working this year and plans to study **Computer Science** at **KTH** (Royal Institute of Technology) in Stockholm, Sweden.

Rocio has gained 2 A levels, including gaining a **B in Spanish** alongside working with primary to gain practical experience. She has been a valuable help in the classroom, in the dining room and has helped with 2 trips as well as their sports days.

Rocio is planning to study for a professional qualification in **Early Childhood Education**.
